

# The Great Bremer Canoe Race Sponsorship

The Great Bremer Canoe Race is a beloved tradition that has been part of our school culture and community since its inception in 1985. This annual event brings together students, alumni, parents, staff, and the wider Bremer State High School community for an exciting and fun-filled day of friendly competition at Wivenhoe Dam. The event also features the Dry Land Canoe Race held the day prior on school grounds during BremerFest.

Participants form teams representing different faculties and areas of our school community, and the competition is fierce yet fun! Alumni, parent, and staff teams add an extra element of excitement and inclusivity, making this a truly unique event.

We are excited to offer local businesses the opportunity to support this event by sponsoring a canoe team. Your sponsorship will directly contribute to the success of this event while offering your organisation the chance to connect with our school community and gain valuable exposure.
