

Signature Programs – Cultural

Version: October 2022

Bremer Accelerated Music (BAM)

The BAM program provides students the opportunity to participate in an accelerated instrumental music program that develops both performance and theoretical music knowledge in a structured combined classroom and extra-curricular based program.

Well-resourced and led by experienced and dedicated music professionals, we are fortunate to have long-standing instrumental, vocal and classroom music programs and recognise the positive impact music education has on learning.

Program Details	
Learning experiences	<ul style="list-style-type: none">• Develop your knowledge and skills through accelerated learning and assessment aligned to Australian Curriculum Music learning area.• Participate in a range of performance contexts in-school and externally.• Participate in music camps and tours with like-minded musicians• Connect with guest conductors and performers.
