

CANTEEN VOLUNTEERS

To Parents/Caregivers

Do you know that spending a few hours a month in the School Canteen is a great way of keeping up with what's happening in the school, and forming new friendships.

Volunteers can choose to work the hours that suit them, on any particular day of the week, weekly, fortnightly or monthly. The times are flexible and there are jobs to suit everyone's interest. Morning tea, lunch and a hot and/or cold drink are provided.

There are a variety of jobs volunteers may be asked to do, some of these include wrapping and pricing of sandwiches, hamburgers, hot dogs and hot food, stocking drink fridges, washing dishes, or using the cash registers. If you feel comfortable serving the students and teachers, our staff will be only too happy to teach you how to use the cash registers. We do not expect our volunteers to do anything that they are not happy to do.

Please fill out the form (to be signed and returned), or contact the school canteen directly 3810 9384, to discuss the day of the week most suitable for you to come.

Yes, I am willing to help at the Canteen
