

Dress Code Policy

Under the Education General Provisions Act 2006, Bremer State High School has developed a Dress Code consistent with the Education Queensland guidelines *SMS-PR-022: Student Dress Code*. This dress code applies to our students when attending or representing Bremer State High School. The Bremer State High School Dress Code describes what is acceptable to wear in relation to clothing including footwear and headwear and describes what is acceptable in relation to other aspects of personal appearance. The Dress Code has been endorsed by the Parents and Citizens Association and the Executive Principal may grant an exemption from the uniform e.g. sports days and this will be communicated with home. All students are expected to wear the uniform at Bremer State High School as per part of the enrolment agreement.

The school uniform is regarded by the school community as important in its role in encouraging a sense of self-esteem, belonging and self-discipline. The uniform also promotes the health and safety of all students.
