

Being Phone-Free at Bremer

From 8:30am-2:50pm, phones, headphones and other personal electronic devices are not permitted. You can choose to leave your phone and other devices at home, or use a school-provided pouch. Alternatively, devices can be handed in to the office for safekeeping.

Using your school-provided pouch

1

Place all personal devices in the pouch and close it

2

Lock your pouch before 8:30am by pressing down on the button

3

Unlock your pouch at the end of the day by holding it up to an unlocking device.

If your pouch gets lost or damaged, you can purchase a new one from the accounts window. Until a new one is purchased, mobile phones and other personal electronic devices will need to remain at home or at the office.
