# Hospitality Practices— Applied

- Applied subject
- \$100 subject fee
- No prerequisites
- **Can NOT choose with Cert 2 Hosp**

The Hospitality Practices syllabus emphasises the food and beverage sector, which includes food and beverage production and service. The subject includes the study of industry practices and production processes through real-world related application in the hospitality industry context.

# Fashion – Applied

- Applied subject
- No subject fee
- No prerequisites

In Fashion, students learn to appreciate the design aesthetics of others while developing their own personal style and aesthetic. They explore contemporary fashion culture; learn to identify, understand and interpret fashion trends; and examine how the needs of different markets are met. Students use their imagination to create, innovate and express themselves and their ideas. They design and produce fashion products in response to briefs in a range of fashion contexts.

# Certificate 2 in Hospitality

- National VET Qualification
- \$150 subject fee
- No prerequisites
- **Can NOT choose with Hospitality Practices**

This qualification is designed to demonstrate employability skills for entry level employment in various hospitality settings, such as restaurants, hotels, motels, catering operations, clubs, and coffee shops.

Offers a range of career paths as well as providing training and skill development for the achievement of competence in the areas of food and beverage.
